

SOUTH BOSTON, WE ARE INVESTING IN YOU!

Capital Plan for Fiscal Years 2020-2024

\$2M INVESTMENT

for the implementation of the Moakley Park master plan. This project will redesign the park to mitigate flood risk.

\$600K INVESTMENT

for a new open gathering space on L Street that will provide older residents a place to relax and socialize while encouraging young children to engage and play.

\$510K INVESTMENT

investment to improve playing fields and other amenities at Orton Field, next to the Condon School.

\$250K INVESTMENT

in new play equipment for children ages 2 through 5 and safety surfacing for the Medal of Honor Park.

\$3.3M INVESTMENT

in citywide climate resiliency planning efforts for the Seaport and Fort Point Channel.

\$20M INVESTMENT

to design and implement a signature, climate resilience waterfront park along the Fort Point Channel.

\$7.4M INVESTMENT

for the continuation of the Crossroads Initiative at Summer Street to improve roadway, sidewalks, street lighting, and bicyclist safety.

\$250K INVESTMENT

or the reconstruction of Congress Street from Fort Point Channel to West Service Road in order to provide safe, livable, and multi-modal city streets, including new sidewalks, street lights, trees, and street furniture

\$250K INVESTMENT

to analyze the transportation capacity for the South Boston Dorchester Avenue study area and develop the design and cost for future improvements.

\$2.5M INVESTMENT

to design interior improvements to the 12 Channel Street Operations Center.

\$15.1M INVESTMENT

for our shared community spaces

- A \$15M investment for a major renovation to the BCYF Curley Community Center. This project will support programming and will provide protection from future sea level rise.
- \$99K allocated to complete landscaping and exterior improvements at the South Boston Branch of the Boston Public Library.
